Dear Mr. Secretary:

Pursuant thereto, the USIB has considered the attached analysis of the programs of the U. S. foreign intelligence community for FY 1963 compared with FY 1962, prepared by the Coordination Staff of the Director of Central Intelligence on the basis of information submitted by USIB member agencies.

The agency programs summarized herein are based upon the tentative plans and estimates of each USIB member agency, and are therefore subject to further review and revision in accordance with the normal budgetary process. In addition, the activation of the Defense Intelligence Agency will undoubtedly result in modifications of the military service programs as described in the attachment.

The United States Intelligence Board, after consideration of the attached analysis, has agreed to the following actions:

e. Note that the Coordination Staff, with the cooperation of the departments and agencies concerned, will submit for USIB consideration recommendations for improvements in future annual program reviews, based upon the experience gained as a result of this initial effort.

As further agreed by the USIB, the attached analysis and the above-quoted USIB actions are transmitted herewith for information and for such action as you may deem appropriate. I stand ready to consult or
